## ART PARTY

Hosted by SLO Monart

---

What could be better than a two hour kid's party at our studio instead of your house?! Art parties for children emphasize creativity and fun. Our Birthday party package is based on 12 children (including the guest of honor). We provide the art lesson of your choosing, balloons, and a great time!

We also do adult birthday painting parties.

We do corporate team building parties.

You can also just rent our facility and garden for your party!

Just ask us how to customize a party for you or pick one of our parties below.
